RG104 E-1 Box 136 Oct-Dec 1885

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., Nov. 28, 1885.

Sir:

It is a matter of surprise to this Bureau that no gold coin appears to have been struck at your Mint so far this month, unless the same has been delivered by the coiner since the 24th instant, the date of your last daily statement.

You will please inform the Bureau why no gold has been coined.

There is a demand from the Treasury for eagles and half-eagles in excess of the amount your statement of the 24th instant shows to be on hand. You will therefore please proceed to coin gold of such denominations as may be sufficient to meet the demands of the Treasury.

Very respectfully

James Thompson

Director.

Hon. Dan'l. M. Fox,
Supt. U.S. Mint, Phila.
